# HUMAN TRAFFICKING

Human trafficking is the illegal trade of human beings, mainly for the purpose of commercial sexual exploitation and forced labor. As the world's fastest growing criminal industry, it affects every nation across the globe. Every thirty seconds someone is forced into modern-day slavery. But guess what? Though there are over 27 million slaves in the world, there are over 2.3 BILLION Christians. That's a ratio of 85:1!
